**PLEASE NOTE:**

1. **We can only admit learners in Gr 9 and Gr 10 if a space becomes vacant.**
2. **Our policy does not cater for admitting new learners in Grade 12. In the event of this, a special request must be made to the Chairperson of the SGB and Principal.**
3. **The school plans to admit 350 Grade 8 learners in 2027.**
4. **In consideration of the departmental closing date for applications, the school requests applications be handed in NO LATER than 31 AUGUST 2026.**
5. **Learners are accepted as per the school's Admissions Policy:**

Whilst the School and SGB know that they may not unfairly discriminate against a learner on whose behalf an application is made for admission, and have no intention thus to discriminate, and whilst they are desirous of playing their part in the education of learners in partnership with the State, they appreciate that the School cannot accommodate all learners and that some process of (fair) discrimination regarding admission of learners is inevitable. Therefore, and in view of the foregoing, it is the School's policy that the following preference be afforded to applications –

- (a) **First**, those in respect of learners *bona fide* (genuinely) residing with their parents (as defined in SASA) within the natural feeder area of the School, and whose mother tongue is the medium of tuition of the School and/or learners who have completed Grade 7 in Brebner Primary School.
- (b) **Second**, those in respect of learners *bona fide* (genuinely) residing with their parents (as defined in SASA) within the natural feeder area of the School, and whose chosen medium of tuition (the choice being exercised by the parent(s) in the application of admission) is the medium of tuition of the School.
- (c) **Third**, those in respect of learners whose parent or parents is/are genuinely employed at an address within the natural feeder area of the School, and whose mother tongue is the medium of tuition of the School.
- (d) **Fourth**, those in respect of learners whose parent or parents is/are genuinely employed at an address within the natural feeder area of the School, and whose chosen medium of tuition (the choice being exercised by the parent(s) in the application for admission) is the medium of tuition of the School
- (e) **Fifth**, learners residing outside the natural feeder area of the School, whose mother tongue is the medium of tuition of the School, and who wish to study a subject or subjects offered by the School and has no other school closer to the learner's place of residence.
- (f) **Sixth**, learners residing outside the natural feeder area of the School, whose chosen medium of tuition (the choice being exercised by the parent(s) in the application) is the medium of tuition of the School, and who wish to study a subject or subjects offered by the School and no other school closer to the learner's place of residence.
- (g) **Finally**, learners residing outside the natural feeder area of the School, and whose mother tongue or chosen medium of tuition is the medium of tuition of the School, on the basis of first come, first served.

Notwithstanding the foregoing, the SGB reserves the right to afford overriding preference to siblings of learners already enrolled at the School, as well as applications for space in the hostel, as per the number of spaces available. The SGB considers itself to be in duty bound to protect the educators, learners, parents and non-educators of the School from physical or mental violence to the full extent of its power to do so and further, to foster the physical, mental and moral welfare of learners. To this end, the SGB -

- (a) reserves the right to take all steps within its power to prevent the admission of a learner whose conduct or behaviour may endanger the welfare, safety or life of learners or staff members in the school or the very interest the SGB considers itself to be in duty bound to protect;
- (b) may enquire from and take issue with the HOD concerning the wisdom of admitting a learner to any grade in the School when the learner will be severely prejudiced by reason of the inability of the learner to communicate or be communicated with at the level required for proper tuition to take place in that grade;
- (c) may take whatever steps may be reasonably practicable, given the resources and circumstances of the School, to assimilate a disabled prospective learner into the School; and
- (d) requires a member of staff or a learner or any learner's parent(s) to report to it any matter relating to the abuse of the rights or invasion of the interests which it seeks to protect.
