- Management tasks (p172)
- Characteristics of good management (p176)
- Different styles of management

Accounting

- Accounting concepts Topic 5
- Source Documents Topic 6
- CRJ
- CPJ
- General Ledger
- Trial Balance
- Accounting Equation

Grade 8

Technology November Exam Scope:

Term 1:

- Module 1: Structures (Unit 1.1 & 1.2)
- Module 3: Mechanical systems & control

Term 2:

- Module 4: Processing (Unit 4.1 & 4.2)

Term 3:

- Module 3: Mechanical systems & control (Unit 3.2, 3.3 & 3.4)

Term 4:

- Module 5: Electrical systems & control (Unit 5.1, 5.2, 5.3 & 3.4)

Grade 8

Social Science June Exam Scope:

Geography scope:

Term 3:

- Unit 1: Settlement and land use (pg 94 - 97)
- Unit 4: Urbanisation (pg 108 – 112)

Term 4:

- Unit 1: Transport and trade around the world (pg 136 - 139)
- Unit 2: Trade and transport in South Africa (pg 140 - 146)
- Unit 3: People and transport in urban areas (pg 147 - 154)

Grade 8

CREATIVE ARTS SCOPE NOV 2018

Drama

- 1) Drama elements pages 116-133.
- 2) African praise poetry pages 140-144
- 3) Keywords page 162
- 4) Superstition and myths Pages 186
- 5) African storytelling refer to your notes given in class.

Visual art

- 1) What is art? pages 313-318
- 2) Graffiti pages 323-337
- 3) Fashion pages 340-365
- 4) Art can tell a story pages 373-394

Opskrif vir eksamen vraestel:

	Klas nr
Naam + van	November 2018
Taak: Vraestel 2 – Begrip en Taal	Graad 9 ____

1. Begripstoets

2. Taal

- Sinne en woordsoorte bl. 229
- Woordorde bl. 230
- Woordsoorte bl. 231
- Selfstandige naamwoorde bl. 232-233
- Meervoude bl. 234-235
- Verkleinwoorde bl. 236-238
- Manlik en vroulik bl. 239 -240
- Byvoeglike naamwoord bl. 242- 243
- Trappe van vergelyking bl. 244
- Intensiewe vorm bl. 245
- Voornaamwoorde bl. 246 – 248
- Werkwoorde bl. 249- 252
- Voorsetseis bl. 253
- Voegwoorde bl. 254- 255
- Ontkenning bl. 256- 257
- Bedrywende en lydende vorm bl. 257 -258
- Direkte en indirekte rede bl.259-261
- Taal in konteks bl. 191
- Bl.190, 192, 194, 201, 206,216,218,226,228
- Homonieme en Homefone (Dit is in julle werkboeke)
- NB!!!! Gaan deur al die aktiwiteite deur wat ons in die klas gedoen het.

3. Advertensie: bl. 200, 111, 112

4. Opsomming: Voorbeelde is in julle werkboeke

5. Spotprent en strokiesprent: bl. 221, 126, 127, 105

Grade 9 Geography scope (Term 4 exam)

Module 5 Surface forces that shape the Earth

Unit 1 Weathering

Unit 2 Erosion and deposition

Unit 3 The impact of people on soil erosion

Module 7 Resource use and sustainability

Unit 1 Resource use

Unit 2 Sustainable use of resources

Unit 3 Food resources

Grade 9 Mathematics: November 2018 Examination Scope

(Proposed Departmental Examination Scopes)

TOPICS	PAPER 1			MARKS
	CONCEPTS			
Whole numbers and integers	LCM, HCF, integers, fractions (10)	Rate, ratio, and proportions (6)	Simple and compound interest (9)	± 25
Exponents	Scientific notation and exponential laws			± 15
Algebra	Expressions (10)	Factorisation (4)	Equations (12)	± 26
Patterns	Numeric (8)	Geometric (4)		±12
Functions	Interpret graphs (4)	Draw graphs (5)	Find equation of graph (6)	± 15
Probability	Probability of compound events and of outcomes, compare relative frequency with probability			± 7
TOTAL				100

TOPICS	PAPER 2			MARKS
	CONCEPTS			
Data Handling	Measure of central tendency and dispersion (8)	Represent data (5)	Interpret and analyse data (5)	± 18
Geometry of straight lines	Solve problems using relationships between pairs of angles			± 22
Geometry of 2D shapes	Solve problems involving unknown sides and angles in triangles and quads (14)	Congruency (8)	Similarity (8)	± 30
Transformation Geometry	Translate, reflect and rotate (6)	Enlargements and reductions (4)		± 10
Measurement	Perimeter and area (10)	Surface area and volume (10)		± 20
TOTAL				100

Topic 2: Cash Receipts Journal & Cash Payments Journal

Page 7-18 Definitions, Theory & Activities.

(Must also be able to do CRJ & CPJ, Calculate Cost price, Selling Price & Profit percentage, Accounting Equation: 4 Questions A OE L)

Topic 3: Economic Systems

Page 20-27 Definitions, Theory, Characteristics, Advantages & Disadvantages.

Topic 4: General Ledger & Trial Balance

Page 30-46 Theory & Activities.

(Must also be able to do General Ledger & Trial Balance)

Topic 5: Circular Flow

Page 49-55 Definitions, Theory & Circular flow model.

Topic 7: Credit Transactions: Debtors (1)

Page 66-77 Definitions, Theory & Activities.

(Must also be able to do Debtors Journal & Debtors Allowance Journal)

Topic 8: Price Theory

Page 80-93 Definitions, Theory, Activities & Graphs.

(Must also be able to draw supply curve, demand curve & equilibrium)

Topic 9: Sectors of the Economy

Page 96-104 Definitions & Theory.

Topic 11: Trade Unions

Page 121-128 Definitions & Theory.

Topic 12: Credit Transactions: Debtors (2)

Page 131-152 Theory & Activities.

(Must also be able to do Debtors Ledger)

Topic 13: Credit transactions: Creditors (1)

Page 156-162 Definitions, Theory & Activities.

(Must also be able to do Creditors Journal & Creditors Allowance Journal)

Topic 14: Functions of a business

Page 165-176 Definitions, Characteristics, Roles, Importance & Risk management of 8 business functions.

Topic 15: Credit Transactions: Creditors (2)

Page 178-194 Theory & Activities.

(Must also be able to do Creditors Ledger)

GR 9 English Scope

Paper 2:(Look in the index of your textbook)

- Know and identify all Parts of Speech
- Know and identify all Figures of Speech
- Know and identify homonyms, synonyms, antonyms, paronyms, metonymy and homophones.

Noorjehan

Poems:
Abu ben Adhem
Child half asleep

Play: Merchant of Venice

The exams count 60% of the year, fail exam = you might fail the year!!

Natural Science
Gr. 9 A-J
Term 4 – Exam Scope

Term 3:

- Topic 10 – Forces pg. 129 – 144
Topic 11 – Electric cells as energy systems pg. 145 – 150
Topic 12 – Resistance pg. 151 – 160
Topic 13 – Series and parallel circuits pg. 161 – 174.
Topic 14 – Safety with electricity & the national electricity grid.
Pg. 175 – 186
Topic 15 – Cost of electrical power pg. 187 -198.

***Revision test after every Topic. NB!**

***Practice test + All the papers I gave you last term.**

***Study your rules and formulas. NB!**

Term 4:

- Topic 16 – Earth as a system pg. 201 – 206
Topic 17 – Lithosphere + Rock Cycle pg. 207 - 218
Topic 19 – The Atmosphere pg. 233- 250.

***Revision test after every Topic. NB!**

*** Practice Exam: Term 3 & 4 pg. 265 – 268. (Only the questions where we have covered the Topics.)**

*** 2015 and 2016 Exam papers.**

Thank you Gr. 9's
****Good luck with Grade 10****
Mrs. Tondo

- Orthographic projection and isometric drawing.
- Line types
- Scale
- Design patterns
- Properties of construction materials
- Properties of materials
- Hydraulic and pneumatic systems
- Principles of hydraulics
- Pascal's principle
- Hydraulic press
- How a hydraulic press work
- Calculations: work, force, pressure and mechanical advantage
- System diagram
- Pulleys
- Ratchet and pawl
- Cleats
- Gears
- Single vanishing point perspective
- Electrical components
- Truth tables
- Ohms law
- Calculating resistance, volts and amps
- Resistors
- Metals
- Paint
- Galvanising
- Electroplating
- Preserving food methods
- Processing plastic
- Properties of plastic.

Scope for Life Orientation Grade 9 November 2018

- Career and subject choices, p. 134 – 142.
- Safety issues relating to movement, p. 144.
- Volunteerism, p. 148 and 151 – 158.
- Health and safety issues related to violence, p. 164 – 172.
- Study and career funding providers, p. 190 – 195.
- Planning and goal-setting for lifelong learning, p. 198 – 201.
- Contributions of various religions to promoting peace, p. 206 – 210.
- Challenging situations: depression, grief, loss, trauma and crisis, p. 220 – 228.
